2 passes...

Every time you kiss me, I'm still not certain that you love me
Every time you hold me, I'm still not certain that you care
Though you keep on saying you really, really, really love me
Do you say the same words to someone else when I'm not there?

[*(Suspicion)*

Torments my heart / Keeps us apart / Why torture me?...

Every time you call me and tell me we should meet tomorrow
I can't help but think that you're meeting someone else tonight
Why should our romance just keep on causing me such sorrow?

Why am I so doubtful whenever you are out of sight?

Darling, if you love me, I beg you wait a little longer
Wait until I drive all these foolish fears out of my mind
Why can't our romance just keep on? You know it's longer
Maybe I'm suspicious 'cause true love is so hard to find
