Sweet dreams of you  
Every night I go through  
Why can't I forget you  
    and start my life anew  
Instead of having sweet dreams about you

You don't love me, it's plain  
I should know- you'll never wear my ring  
I should hate you - the whole night thru  
Instead of having sweet dreams about you

Sweet dreams of you  
Things I know - can't come true  
Why can't I forget the past,  
    start loving someone new  
Instead of having sweet dreams... about you.
