

Sweeter Than You

2 FULL Rounds // 4 measures (2 & 2)

I could never be loved
by anyone sweeter than you
And I could never belong
to anyone sweeter than you

With you to stand beside me
I'll never be alone
And what more could I long for
than to have you for my own

My only desire
is loving you eternally
For no, no other love
could ever mean so much to me

So if you say you love me
forever I'll be true
And what more could I long for
than to live my life with you

I could never be loved by
anyone sweeter than you
And I could never belong
to anyone sweeter than you
