Standard Intro

All alone at the end of the evening
And the bright lights have faded to blue.
I was thinking - 'bout a woman - who (might have) loved me
I never knew.

You know I've always been a dreamer - *Spent my life runnin' 'round*
And it's so hard to change - *Can't seem to settle down*

But the dreams I've seen lately - **(2-3-4-5-6 / 1-2-3..)**
keep on turning out - And burning out - and turning out the same.

[So put me on a highway - and show me a sign
And take it - to the limit - one more time.

You can spend all your time making money,
You can spend all your love making time.
If it all fell to pieces tomorrow
Would you still be mine?

And when you're looking for your freedom - *Nobody seems to care*
And you can't find the door - *Can't find it anywhere*

When there's nothing to believe in - **(2-3-4-5-6 / 1-2-3..)**
still you're coming back, you're running back, you're coming back for more.

[C]

Take it to the limit, take it to the limit, Take it -to the limit -1 more time
Take it to the limit, take it to the limit, Take it to the limit 1 more time...

[repeat - fade]
