Gui X 4 (2+2) ... (start on 3rd pitch)

There's a girl trying to steal my heart and I'm tempted
Even though she could tear it apart, I'm tempted
In her eyes there's mystery,
 everytime she smiles at me
I know how it could be and I'm tempted

X 2 ... (fin... + 1)

Each time she looks my way, I'm tempted
Just a little more every day, I'm tempted
It's so hard to resist, the thought of her sweet kiss
Can't take much more of this, I'm tempted

[Tempted and tried, - Deep down inside
I can't deny - that I'm tempted

Lead - X 2

Ever since she caught my eye, I'm tempted
Just one look and you'll know why I'm tempted
So if I'm burned - by the flame,
 there's no one but me to blame
'Cause every time she calls my name, I'm tempted
