

The Actress

Key: m2 >> F
Roy Orbison '62

Full Vocal Setup...

Well you should be an actress - You play your part so well
Your act is so believable - That no one else can tell

+2

You say the lines, but I see - That you don't really love me

+2

You keep me around - to be your faithful clown
Till someone you can love comes along
You'll keep on pretending
Because the show must go on.

Quick 2 bars...

Yes, you should be an actress - As lovely as you are
The way you play on emotion - You'd shame the brightest star

+2

You're acting all the time - No, you're not really mine

+2

I'm just another scene - in your play acting scheme
No, you don't love me at all
But when you walk away
That's when the curtain will fall.

But I'll go - all the way - to the end - of the play
I'll - be // a part - of // your masq-uer-ade
Although - I know - it may be the saddest show
>> In the life - of a fool - on parade.
