

The Girl From Yesterday

The Eagles
- Eb .. F
1994

Simple turnaround

It wasn't really sad – the way they said good-bye
Or maybe it just hurt so bad - she couldn't cry
He packed his things, walked out the door & drove away
And she became the girl from yesterday

He took a plane across the sea - to some foreign land
She stayed at home and tried so hard - to understand
How someone who had been so close could be so far away
And she became the girl from yesterday

She doesn't know what's right
She doesn't know what's wrong
 She only knows the pain that comes
 - from waiting for so long
And She doesn't count the teardrops
 - that she's cried while he's away
Because she knows deep in her heart
That he'll be back someday

< Lead > // key change

The light's on in the window - she's waiting by the phone
Talking to a memory - that's never coming home
She dreams of his returning & the things that he might say
But she'll always be the girl from yesterday // yea... **X2**
