## Short Intro...

A long time ago, when the Earth was green,  
There was more kinds of animals than you've ever seen.  
& they'd run around free when the Earth was being born  
And the loveliest of 'em all was the unicorn.

There was Green alligators and long-necked geese,  
Some humpty backed camels and some chimpanzees.  
Some cats & rats & elephants, but sure as you're born

***The loveliest of them all was the unicorn.***

.....

Well now God seen some sinnin' and it caused Him pain.  
And He said, Stand back, - I'm going to make it rain!  
He said, Hey, Brother Noah, I'll tell you what to do,  
build me a floating zoo,

***and take some of them..... [ C ]***

**Don't you forget My unicorns.**

.....

Well Old Noah he was there and he answered the call...  
& he finished makin the ark just as the rain started to fallin'.  
Then he marched in the animals two by two,  
And he sung out as they went through,

***Hey Lord, I got your..... [ C ]***

***But Lord, I'm so forlorn... I just can't see no unicorns !***

.....

And Noah looked out through the driving rain,  
The unicorns were hiding, playing silly games.  
They were kickin' & splashin' while the rain was pourin',  
Oh, the silly unicorns!

There was green alligators and long-necked geese,  
Some humpty backed camels and some chimpanzees.  
***Noah cried, Close the door cause the rain started pourin  
And we just cannot wait for no unicorn!***

.....

The ark started moving, and it drifted with the tide,  
& the unicorns looked up from the rocks and they cried.  
& the waters come down and sort of flooded them away,  
That's why you never seen a unicorn to this very day.

But you'll see green alligators and long-necked geese,  
Some humpty backed camels and some chimpanzees.  
Some cats & rats & elephants, but sure as you're born  
***You're never gonna see no u-ni-corn!***
