There Goes My Heart

There goes my heart breaking in two
   There goes my eyes crying over you
      My arms don't want for us to part
➡️ So when you go here comes the blues ⎫ *Tag*
      There goes my heart   ⎭ **Extra 2**

You told me once we'd never part
   And you loved me with all your heart
But now these words of love
   You're going to erase
You've found somebody
   Who wants to take my place

I'm standing on - a bridge that's burned
   It's just a lonely - lesson learned
      To see you walk away with him hurts me so
This fool who loves you
   Doesn't want to let you go
