

# There's A Kind Of Hush

G > G#

## 2 Quick Rounds...

There's a kind of hush all over the world – tonight  
All over the world you can hear the sounds of lovers in love  
You know what I mean  
Just the two of us - and nobody else - in sight  
There's nobody else and I'm feeling good  
just holding you tight

{  
So listen very carefully -  
Closer now and you will see what I mean  
It isn't a dream  
The only sound that you will hear  
Is when I whisper in your ear  
I love you - forever and ever
