

# To Leave Something Behind

Sean Rowe  
...sounds like  
Leonard Cohen

2 long bar Intro...

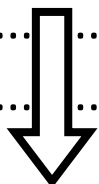

I cannot say that I know you well..... 4  
But you can't lie to me w/ all these books that you sell..... 4  
I'm not trying to follow you to the end of the world ..... 4  
I'm just trying to leave something behind ..... 4

Words have come from men and mouse..... 4  
But I can't help thinking that I've heard the wrong crowd.. 4  
When all the water is gone my job will be too ..... 4  
And I'm trying to leave something behind..... 2

Oh money is free but love costs more than our bread ..... 2  
And the ceiling is hard to reach ..... 2  
Oh the future ahead is broken and red ..... 4  
But I'm trying to leave something behind..... 1-4

This whole world is a foreign land ..... 2  
We swallow the moon but we don't know our own hand.. 2  
We're running with the case but we ain't got the gold ..... 2  
Yet we're trying to leave something behind..... 4

My friends I believe we are at the wrong fight..... 2  
And I cannot read what I did not write ..... 2  
I've been to His house, but the master is gone ..... 4  
But I'd like to leave something behind ..... 4

There is a beast who has taken my brain..... 2  
You can put me to bed but you can't feel my pain ..... 2  
When the machine has taken the soul from the man ..... 4  
It's time to leave something behind ..... 2

Oh money is free but love costs more than our bread..... 2  
And the ceiling is hard to reach ..... 2  
Oh the future ahead is already dead ..... (3)  
So I'm trying to leave something behind ..... 1-4

I got this feeling that I'm still at the shore ..... 4  
And pockets don't know what it means to be poor ..... 2  
I can get through the wall if you give me a door ..... 2  
So I can leave something behind..... 2

Oh wisdom is lost in the trees somewhere ..... 2  
You're not going to find it in some mental gray hair ..... 2  
It's locked up from those who hurry ahead..... 2  
And it's time to leave something behind ..... 2

Oh money is free but love costs more than our bread ..... 2  
And the ceiling is hard to reach ..... 2  
When my son is a man he will know what I meant ..... 4  
I was just trying to leave something behind..... 4

> I'm trying to leave something behind
