

# Try A Little Tenderness

Otis Redding  
Michael Buble

She may be weary - Women do get weary

Wearing the same shabby dress

And when she's weary - Try a little tenderness

Ooo.. She may be waiting - Just anticipating

Things she may never possess

& while she's without them - Try a little tenderness

It's not just sentimental –

She has her grief - And her cares ...

➔ But a word – So soft and gentle

Makes it easier - to bear

You won't regret it - Women don't forget it

Love is their whole happiness

And it's all so easy - try a little tenderness

 < **LEAD** > ½ **Bridge** ...

 **END**

You've gotta try -  You've gotta hold 'er  
You've got to squeeze her

You have to try

You've got to try - And always please her

You won't regret it - You won't regret it

Oh ..... Try a little tender - ness
