

Trying to Get to You

I've been traveling over mountains
Even through the valleys, too
I've been traveling night and day
I've been running all the way - Baby, trying to get to you.

Ever since I read your letter
Where you said you loved me true
I've been traveling night and day
I've been running all the way - baby, trying to get to you

[When I read your loving letter
- Then my heart began to sing
There were many miles between us,
- But they didn't mean a thing.

I just had to reach you, **baby**,
In spite of all that I've been through.
I kept traveling night and day,
I kept running all the way, - Baby, trying to get to you.

[Well, there's nothing that could hold me
- Or that could keep me away from you
When your loving letter told me
- That you really loved me true

Well - **IF** I had to do it **over**
That's exactly what I'd do,
I would travel night and day,
And I'd still run all the way, - Baby, trying to get to you.
