Bobby Bland '61  
Tom Jones '69  
Blues Bro's 2000

*Full Horn Rif ... ONLY 1 setup ...*

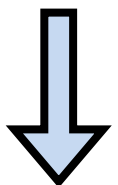

Without a warning - you broke my heart  
You took it darlin' - and you tore it apart  
    You left me sitting - in the dark, crying  
    You said your love - for me was dying

I'm begging you, baby, - baby please  
I'm begging you, baby, - baby please  
    Turn on the light, let it shine on me  
    Turn on your love light, - let it shine on me  
And let it shine, shine, shine, -- let it shine

**< HORNS 4 A's... > // 2 bar DRUM setup**

I get a little lonely - In the middle of the night  
I need you darlin' - To make things all right  
    Come on baby, - come on please  
    Come on baby, - come on please  
Turn on the love light, - let it shine on me  
Turn on your love light, - let it shine on me

A little bit higher, - a little bit higher  
Just a little bit higher, - a little bit higher
