Walk, - even though he tries to - make you stay
Um! Walk, you can't believe a single - word he'll say
Baby, Baby, Walk, he'll break your heart if you don't - break away
Keep your eyes on the ground - and don't turn around

Walk, - if you stay he's going to - make you blue
Um! Walk, just think of all the things he's - put you through
Baby, Baby, Walk, even though he's calling - after you
Just block out the sound and don't turn around

When he tries to bring you **back** to him
Hold your EARS and close your EYES
Just - turn - your - back to him, don't listen to his sighs
Cmon, cmon, cmon, cmon, and

Walk, - to the guy who loves you - tenderly
Baby, Baby, Walk, and see how wonderful a - a love can be

you know he breaks your heart - **Cmon, cmon, cmon, cmon,**
