

A Walk Softly on this Heart of Mine

You say you're sorry once again.
You want me to take you back once more.
You say you need a helping hand.
But that's what you told me once before.

Walk Softly on this heart of mine.
Don't treat it mean and so unkind.
Let it rest in peace and quite love.
Walk....Mine. (walk on)

< LEAD >

I know someday you'll find a new love.
I feel your heart has turned to stone.
But please let me down real easy.
Cause loneliness moves in as you move on.
