

We'll Meet Again

We'll meet again, don't know where, don't know when.

But I know well meet again, some sunny day.

Keep smiling through, just like you, always do,

till the blue skies drive the dark clouds, far away.

] So will you please, say hello, to the folks that I know, tell them I won't be long, ----- they'll be happy to know that as they saw me go I was singing this song.

We'll meet again, don't know where, don't know when,

But I know well meet again. Some sunny day.

< **LEAD** >.....

We'll meet again, don't know where, don't know when,

But I know well meet again. Some sunny day.

] So will you please, say hello, to the folks that I know, tell them I won't be long, ----- they'll be happy to know that as they saw me go I was singing this song. // UP //
