

Well, all right

1x Intro

Well all right - so I'm being foolish
well all right let people know
about the dreams and wishes you wish
in the night when lights are low

Well all right - well all right
we'll live and love with all our might
well all right - well all right
our lifetime of love will be all right

2x Intro...

Well, all right - so I'm going steady
it's all right when people say
that those foolish kids can't be ready
for the love that comes their way
