

What Now My Love

Elvis '73
French '61

Start Quick in 2nd bar...

What now my love - Now that you left me
How can I live through another day
Watching my dreams - turn into ashes
And all my hopes into bits of clay

Once I could see - once I could feel
Now I'm a numb - I've become unreal
I walk the night, oh, without a goal
Stripped of my heart, my soul

What now my love - Now that it's over
I feel the world closing in on me
Here comes the stars - Tumbling around me
And there's the sky where the sea should be

What now my love - Now that you're gone
I'd be a fool to go on and on
No one would care, no one would cry
If I should live or die

What now my love - Now there is nothing
Only my last goodbye - Only my last goodbye
