

When The Sun Goes Down

Intro - turn around...

Kenny Chesney

Orig: A Voc: **F#**

Band: **E**

Sun tanned toes - ticklin the sand
Cold drink chillin in my right hand

- Watchin you sleep in the evening light
- Restin up for a long, long night

'Cause When the sun goes down, ● we'll be groovin
When the sun goes down, we'll be feelin all right
When the sun sinks down - ● Over the water
Everything gets hotter when the sun goes down

All day long just takin it easy

- Layin in the hammock where it's - nice and breezy
- Sleepin off the night before

Cause when the sun goes down, we'll be back for more

[C] <LEAD> **x 2**

This old guitar and my dark sun glasses

- This sweet concoction is smooth as molasses
- Nothing to do - but breathe all day

Until the Big moon rises and it's time to play
