

Whenever You Come Around

Vince Gill '94

The face of an angel; **pretty** eyes that shine
I lie **awake** at **night** - wishing you were mine
I'm **standing** here **holding** - the **biggest** heartache in town
Whenever you come around

I get weak in the knees; - and I lose my breath
Oh I try to **speak** but the **words** won't come
I'm so scared to death
And when you smile that **smile**
- the **world** turns **up-side** down
(...) Whenever you come around

I feel so helpless; - I feel just like a kid
What is it **about** you that **makes** me keep my **feelings** hid
I wish I **could** tell you, - but the **words** can't be found
Whenever you come around

[C] < Lead full > [C]

And when you smile that smile
The world **turns** upside down
(...) Whenever you come around
(...) Whenever you come around
