

Who Wants To Live Forever

Queen '86 .. for
"Highlander"
& Sarah Brightman

There's no time for us - There's no place for us
What is this thing that builds our dreams,
- yet slips away from us

[Who wants to live forever **X2**

There's no chance for us - It's all decided for us
This world has only one sweet moment
- set aside for us

[C]
< 1 bar brk >

Who dares to love forever
- - oh... When love must die

< Break >

But touch my tears - with your lips
Touch my world - with your fingertips

And we can **HAVE** forever - And we can **LOVE** forever
- Forever is our today

[C]

- Forever is our today

Who waits forever anyway?
