

Who's Cheatin' Who

8 -round-intro

Every where you look - you can write a book
on a trouble with a woman and a man

But you cannot impose
You can't stick your nose
in somethin' that you don't understand

Still you wonder who's cheatin' who
And who's bein' true
Who don't even care anymore
It makes you wonder who's doin' right
with some one tonight
and who's car is parked next door

I thought I knew her well
I really couldn't tell that she
had another lover on her mind
See it felt so right when she held me tight
How I could be so blind

[CHORUS] --- *[Guitar turn-around... & 4 part intro]*

A heart is on the line each and every time
Love is stolen in the shadows of the night
Though its wrong all along it keeps goin' on
As long as you keep it out of sight

[CHORUS] -- [CHORUS]
