

Write This Down

I never saw the end in sight; fools are kind of blind.
Thought everything was going alright,
but I was running out of time.
Cause you had one foot out the door, I swear I didn't see
But if you're really going a-way,
here's some final words from me.

Tag- Baby, write this down, take a little note
to remind you in case you didn't know,
Tell yourself I love you and I don't want you to go,
write this down.
Take my words, read 'em every day,
keep 'em close by, don't you let 'em fade away,
Tag- So you'll remember what I forgot to say, write this down.

I'll sign it at the bottom of the page, I'll swear under oath
Cause every single word is true,
and I think you need to know,
So use it as a book mark, stick it on your 'frigerator door,
Hang it in a picture frame up above the mantel
where you'll see it for sure.

- You can find a chisel, I can find a stone.
Folks will be reading these words, long after we're gone.

[C] **Tag:** Oh I love you and I don't want you to go,
baby write this down.
