

You Can't Make Old Friends

Kenny Rogers
Dolly Pardon
2013

What will I do when you are gone?

Who's gonna tell me the truth? - Who's gonna finish - the stories
I start - the way you always do?

- When somebody - knocks at the door

Someone new walks in. - I will smile - and shake their hands -
but you can't make old friends

You can't make old friends - Can't make old friends
It was me and you, - since way back when
But you can't make old friends

How will I sing when you are gone?

Cause it won't sound the same - Who'll join in on those
harmony parts - when I call your name?

[C]

- When Saint Peter - opens the gate
& you come walking in - I'll be there just waiting for you
Cause you can't make old friends

When I am out on the stage all alone

And I hear the music begin - We all know the show must go on
But you can't make old friends

... .. [C - - - You and me, will be young again, - and you can't
make old friends]

Turn Around: You and me, will be together again
... we will still be ... old friends

Vamp... You can't make old friends.....
