

You look so good in love

Oh how you sparkle, - and oh how you shine.
That flush on your cheeks - is more than the wine.
And he must do something that I didn't do.
Whatever he's doing, it looks good on you.

**You look so good in love.
You want him, that's easy to see.
You look so good in love.
And I wish you still wanted me.**

He must have stolen some stars from the sky,
And gave them to you to wear in your eyes.
I had my chances, but I set you free.
And now I wonder why I couldn't see.

[CHORUS]

*Darling I've years –not – seeing the real you,
Tonight your beauty - is shining through.
And I never took - the time to tell,
before he takes you - please let me say...*

[CHORUS] > [CHORUS]

*Darling I've wasted a lot of years not seeing the real you,
But tonight your beauty is shining through.
And I never took the time to let you know,
So before he takes you away please let me say.*
