

You're Gonna Miss Me When I'm Gone

Brooks & Dunn
'95

2 Full Rounds...

I'm still hurtin' from the last time
You walked on this heart of mine
I can't find much to believe in
You let me down so many times
Heaven knows how much I love you
- But I'm tired of holdin on

[You'd better kiss me - 'Cause you're gonna miss me when I'm gone

There's not much chance we're gonna make it
If I'm the only one who's tryin'
You know I'm runnin' out of reasons
- - We're runnin' out of time
Someday, girl, you're gonna wake up
- & wonder what went wrong

[C] { instr bridge } ... break / 1 round setup ...

You're good at goin' through the motions
And all I hear are alibis
Now I get this empty feelin'
When I look into your eyes
And I don't see a love light shinin'
- & I don't know what's goin on
