

You May Be Right

Friday night I crashed your party - Saturday I said I'm sorry
Sunday came and trashed me out again
I was only having fun - Wasn't hurting anyone
And we all enjoyed the weekend for a change

I've been stranded in the combat zone - I walked thru Bedford Sty alone
Even rode my motorcycle in the rain
And you told me not to drive - But I made it home alive
So you said that only proves that I'm insane

|| You may be right - I may be crazy
Oh, but it just may be a lunatic you're looking for
Turn out the light - Don't try to save me
You may be wrong for all I know - But you may be right

Well remember how I found you there - Alone in your electric chair
I told you dirty jokes until you smiled
You were lonely for a man - I said take me as I am
Cuz you might enjoy some madness for a while

Now think of all the years you've tried to - Find someone to satisfy you
I might be as crazy as you say
If I'm crazy then it's true - That it's all because of you
And you wouldn't want me any other way

| You may be right - I may be crazy
Oh, but it just may be a lunatic you're looking for
It's too late to fight - It's too late to change me
You may be wrong for all I know - But you may be right
