

# You Don't Know Me

You give your hand to me - Then you say hello  
I can hardly speak - My heart is beating so  
And anyone can tell - You think you know me well  
But you don't know me

No, you don't know the one- Who dreams of you at night  
& longs to kiss your lips - & longs to hold you tight  
Oh I'm just a friend - That's all I've ever been  
'Cause you don't know me

[ I never knew - The art of making love  
Though my heart aches - With love for you  
Afraid and shy -- I've let my chance to go by  
The chance that you might - Love me, too

You give your hand to me - & then you say goodbye  
I watch you walk away - Beside the lucky guy  
You'll never never know - The one who loves you so  
Well, you don't know me

[ C ]

You give your hand to me - Then you say good-bye  
I watch you walk away - Beside the lucky guy  
No, you'll never ever know - The one who loves you so  
Well, you don't know me

No, you'll never ever know - The one who loves you so  
Well, you don't know me
