

Young At Heart

Frank Sinatra '53

Fairy tales can come true
It can happen to you - when you're young at heart
For it's hard, you will find
To be narrow of mind - if you're young at heart

You can go to extremes - with impossible schemes
You can laugh when your dreams - fall apart at the seams
And life gets more exciting with each passing day
And love is either in your heart or on its way

Don't you know that it's worth
Every treasure on earth - to be young at heart
For as rich as you are
It's much better by far - to be young at heart

And if you should survive - to a hundred and five
Look at all you'll derive - out of being alive
And here is the best part, - you have a head start
If you are among the very young at heart
