

You've Got a Friend

When you're down & troubled –

& you need some **love & care**

& nothing, nothing is going right –

Close your eyes & think of me & soon I will be there

- To brighten up - Even your darkest night

You just call out my name –

& you know wherever I am

I'll come runnin' - To see you again

Winter, spring, summer or fall –

All you have to do is call

& I'll be there - *You've got a friend*

If the sky above you - Grows dark & full of clouds –

& that old North wind begins to blow

- Keep your head together baby

& call my name out loud –

Soon you'll hear me - Knockin' at your door

[C] & *I'll be there ...*

Ain't it good to know that - You've got a friend?

People can be so cold oh yeah

They'll hurt you & desert you –

& take your soul if you let them

But don't you let them

[C] You've got a friend

X4 & out
